RE: Follow up to FOIA Requests

Dear Sir/Madam:

I write this letter requesting a response to the three Freedom of Information Act ("FOIA") requests submitted on behalf of Taft Stettinius & Hollister and delivered to EPA on May 26, 2022 and June 7, 2022. I've enclosed the FOIA requests for your convenience.

According to EPA's guidance, EPA is to provide a written initial determination regarding FOIA requests within 20 business days of receipt. EPA, Guide for FOIA Requests for Pesticide Information, <https://www.epa.gov/foia/guide-foia-requests-pesticide-information> (last visited July 8, 2022). That response deadline has passed but I have yet to receive a response to any of these requests. These requests are time-sensitive and I respectfully ask that EPA provide its initial determination letter and the requested documents as soon as possible.

Sincerely,

A handwritten signature in blue ink, appearing to read "KG", followed by a long horizontal flourish.
